CLASS DESCRIPTIONS

Aquafit

Aquafit is a water-based cardiovascular conditioning class that will work your whole body using the resistance of the water & equipment such as dumbbells, noodles, kickboards etc. This class is a low-impact class and is suitable for all abilities.

Aqua Deep

Aqua Deep Combo is a water-based class that will work your whole body using the resistance of the water & equipment such as dumbbells, noodles, kickboards etc. This class utilizes a combination of shallow and deep water activities. This class is a low-impact class and is suitable for all abilities.

Aqua Bootcamp

This class is a high-intensity water-based class that focuses on strength, power and stamina in the water. This is a low-impact class and is suitable for all abilities.

Gentle Aqua

Gentle Aqua is a shallow water-based class. It is low-intensity and focuses on increasing strength, balance and mobility. This class is well-suited to seniors or individuals recovering from injury.

Senior Strength

Seniors Strength is a land-based class suited to active and mobile older adults, who are wanting a low-impact option that improves whole-body strength, balance and mobility.

Senior Strength & Balance

Functional Senior Strength is a whole body resistance class that's beginner friendly and suited to those who are less mobile. This class is also suitable for those restricted by injury, orthopedic and/or chronic conditions. This class also acts as a progression for participants of the Break My Fall program.

Strength

Strength training uses predominately weighted exercises to improve muscular strength. This is a well-rounded full body workout that utilizes compound exercises paired with some accessory exercises to get you feeling and looking stronger! Suitable for all ages and abilities.

Pilates

Strengthen the body and mind with our Pilates classes. This class involves body-weight exercises that aim to improve strength, balance, posture and flexibility. This is a great low-impact class to work the whole body, especially the core muscles. Suitable for all abilities.

Hot Mat

Hot Mat is a mat-based class designed to build strength, improve mobility, and boost body awareness. Set in a comfortably heated 28–30°C room, it's the perfect way to get a sweat on, reduce your risk of injury, and escape the chill while moving your body with purpose. Suitable for all abilities.
